Kleurtemperatuur in Kelvin	2.700 extra warm wit
lampkop massa	3 cm
bulb vervangen:	ter plaatse zelf
totale hoogte	max. 59 cm
Dimensions	H 5 cm   B 30 cm

## Omschrijving

The Less'n'more Dr Wattson Zeus Bedside Table DR-Z consists of a bedside table with an integrated Zeus lamp. The bedside table has a white powder-coated wall bracket made of aluminum and a turnable storage compartment made of solid oak wood. The bedside table has a width of 30 cm and a height of 5 cm. It is 22 cm deep.

The integrated Zeus lamp has a flexible lamp arm that can be stretched and bent as desired. When the lamp arm is extended to its maximum, the bedside cabinet and lamp together are 59 cm high. The flexible lamp arm is available in the following colours: aluminum, textile black, white, anthracite, blue, green, red and brown. The lamp arm is offered in special colours on request.

The lamp head and rod of the Zeus recessed lamp are available in the surfaces aluminum and black. A push button dimmer is integrated in the lamp rod with which the lamp can be switched and dimmed. The beam angle of the light can be continuously adjusted between 15 and 75 degrees by turning the glass lens out of or into the lamp head. With a larger beam angle, the light is distributed over a larger area.

The Dr Wattson Zeus Bedside Table DR-Z is offered in the versions lamp left or right on the bedside table. The lamp can be connected via a black supply cable. In addition to the conventional power supply, it can also be operated via a USB connection. Less'n'more also offers the Dr Wattson bedside cabinet with an integrated Athene lamp.
