### Omschrijving

The Bomma Blimp Floor Medium is a floor lamp with a height of 52 cm. Its glass made of mouth-blown crystal glass has a diameter of 45 cm. The Blimp floor lamp is available in the glass colours clear or amber. Its base is made of black matt powdered metal. Each glass is mouth-blown in individual production, therefore small bubbles or irregularities can occur in the glass. The glass distributes the light homogenously in all directions, while the glass grooves create light reflections on the lamp itself. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white.
