Omschrijving

This Bomma Dark & Bright Star chandelier consists of two Large and one Small pendant lamp on a round canopy. The glass colour is always the same for the lamps of this chandelier. The glass colours white and cigar brown are offered. The white coated canopy has a diameter of 40 cm and a height of 6.2 cm. The suspension is in anthracite for the white lamps and in brushed brass for the cigar brown ones.

Each glass is made individually from mouth-blown crystal glass and is therefore unique. With traditional glassblowing, small bubbles or irregularities may possibly appear in the glass. The white glasses are made of clear glass and are opaque sand-cut. The cigar brown glasses are completely coloured. As each glass is individually hand-finished, colour intensity and shade may vary. Each lamp is operated with a replaceable G4 LED retrofit.

The cables of the pendant lamps are a maximum of 250 cm long and can be shortened if necessary. Chandeliers with up to 26 lamps are offered with the available glass colours and suspensions.
