Omschrijving

The Bow floor lamp by the German manufacturer Bopp is 208 cm high and emits warm white light both upwards and downwards. One LED light source is integrated in each of the three individual arches made of aluminium. The middle one of the LEDs gives direct light downwards, the two outer LEDs give light upwards. This floor lamp made of aluminium has two buttons integrated in the lamp, with which the LEDs can be switched and dimmed separately. The square base of the Bopp Bow floor lamp is 35 cm long, 35 cm wide and 3.5 cm high. The projection of the Bopp Bow is 175 cm. The Bow floor lamp has a 160 cm long connection cable and is available in the surfaces polished aluminium and anthracite.
