

Bomma

Orbital Table

Glasfarbe

- roze
- zwart
- wit
- helder

Version

- goud
- zilver

Technical details

Land van fabricage	 Tsjechië
fabrikant	Bomma
ontwerper	Studio deFORM
bescherming	IP20
Omvang van de levering	LED 230 Volt
materiaal	kristalglas, roestvrij staal, textiel
kabel kleur	zwart
kabellengte	180 cm
dimmen	dimbaar op locatie
base/versie	E27
schakelbaarheid	aan de lijn
Vermogen (max. Watt)	13 Watt
LED	inclusief
Schaduw diameter	36 cm
bulb vervangen:	ter plaatse zelf
Dimensions	H 43,5 cm B 25 cm

Omschrijving

The Bomma Orbital Table consists of two outer glasses and a ring-shaped middle part as well as a lamp base made of stainless steel. The two glasses are made individually from mouth-blown crystal glass. Small bubbles and irregularities in the glass are a characteristic feature of traditional glassblowing. During the manufacturing process, clear crystal glass is mixed with coloured glass, which makes the glass colour particularly durable. As each glass is made individually, it is unique, so that the colour shade and intensity can vary.

With the Orbital Table, one glass is always clear, the other glass is offered in the colours polaris white, venus pink and clear. The base of the lamp is available in silver or patinated gold. The middle part of the lamp has the same surface as the base. The Orbital table lamp has an E27 socket that can be operated with a replaceable Globe LED Retrofit.
