

Domus

Drum

Technical details

Land van fabricage	 Duitsland
fabrikant	Domus
jaar	1997
bescherming	IP20
Omvang van de levering	Leuchtmittel/ Bulb
Diameter in cm	14
materiaal	hout, Lunopal
oppervlak	wit
dimmen	dimbaar op locatie
base/versie	E27
Vermogen (max. Watt)	50 Watt
Dimensions	H 15 cm Ø 14 cm

Omschrijving

The Domus Drum ceiling lamp scores with its simple Scandinavian design that never goes out of fashion. The lamp body made of beech wood is surrounded by a white lampshade made of Lunopal. Lunopal is a high-quality shade material that was developed by Domus. This material is thermally highly resilient and can withstand temperatures of up to 100°C. Lunopal is white transparent and gives the impression of fine Japanese paper. The completely environmentally friendly material is UV-resistant and does not yellow. The Domus Drum ceiling light has a diameter of 14 cm and is 15 cm high. The Drum ceiling light has an E27 socket and can be operated with conventional halogen bulbs as well as with LED retrofit bulbs.
