base/versie	E27
Vermogen (max. Watt)	150 Watt
Schaduw diameter	50 cm
schermhoogte	37 cm
bulb vervangen:	ter plaatse zelf
Dimensions	H 222 cm

Omschrijving

The Maigrau Luca Lean consists of a two-legged solid oak wooden frame and a textile lampshade that surrounds the light source. The Luca Lean is powered by a 280 cm long supply line with cord dimmer. The rubber cable of this lamp can be integrated into the wooden frame so that it is not visible from the outside. This floor lamp has an E27 socket and can be operated with an LED retrofit. The diffuse, glare-free light is emitted through the textile lampshade of the recliner and creates a play of light and shadow on the wall. The lampshade of the Maigrau Luca Lean has a diameter of 50 cm and is 36.5 cm high. The total height of this floor lamp by the German manufacturer Maigrau is 222.1 cm. The Luca Lean is available in different surfaces and shade colours: The lamp shade is offered in white and bronze-grey, the two-legged lamp base in the surfaces natural oak and smoked oak. On request, the lampshade is also available in felt with an acoustic, sound-absorbing effect.
