## Omschrijving

The Maigrau Miyu High is a floor lamp with a total height of 163.5 cm made of a solid wooden frame and a textile lampshade that surrounds the light source. The textile shade of the Maigrau Miyu High is 35 cm high and has a diameter of 43 cm. The black steel base has a diameter of 30 cm, so that a firm stand of the lamp is guaranteed. The noble lamp frame of the Miyu High by the German manufacturer Maigrau is made of hardwood from domestic forests. The power supply of the floor lamp Maigrau Miyu High is provided by a 280 cm long supply line with cord dimmer. The cable of the lamp disappears in a groove in the lamp frame. This floor lamp has an E27 socket and can be operated with an LED retrofit. The Miyu High is available in different surfaces and shade colours: The lamp shade is offered in white and bronze grey, the lamp frame in natural oak and smoked oak. On request, the lampshade is also available in felt with an acoustic, sound-absorbing effect.
