The total height of the floor lamp Maigrau Linn High Oblique Oak Smoked is 160 cm. The lamp base made of oak round rods in combination with a base ring made of powder-coated steel is complemented by a textile lamp shade that surrounds the light source. The Maigrau Linn High can be dimmed continuously via a foot dimmer on the 280 cm long supply cable. The rubber cable can be integrated into the wooden frame so that it is not visible from the outside. This floor lamp has an E27 socket and can be operated with an LED retrofit. The diffuse, glare-free light is emitted through the textile lamp shade.

The lamp shade of the Maigrau Linn High has a diameter of 31 cm and is 53 cm high. The steel base of the Maigrau Linn High has a diameter of 25 cm. The Linn High Oblique is available in the shade colours white and bronze grey. The lamp frame of this lamp is in oak smoked. The lamp is also offered with a lamp frame in natural oak. On request, the lamp shade is also available in felt with an acoustic, sound-absorbing effect.
