Pendant Lamp 10x40 V2x1800 RC

Oberfläche

- aluminium
- roestvrij staal
- zwart
- zwart-bruin

Technical details

Land van fabricage	 Duitsland
fabrikant	Gera Leuchten
bescherming	IP20
Omvang van de levering	LED
materiaal	aluminium
hoogteverstelling	hoogte bepaalbaar
dimmen	met afstandsbediening
Wattage	68 W
LED	inclusief
Lichtstroom in lm	5.040
Kleurtemperatuur in Kelvin	2700 - 4000 instelbaar
bulb vervangen:	ter plaatse zelf
totale hoogte	20 - 250 cm
Dimensions	H 4 cm B 1 cm L 180 cm

Omschrijving

The pendant lamp 10x40 V2x1800 RC by the German manufacturer Gera is operated with an integrated LED. This LED pendant lamp is available in the finishes aluminium-coloured, stainless steel-coloured and black. The pendant lamp made of aluminium is 180 cm long, 4 cm high and only 1 cm wide. Two opposing light outlets upwards and downwards double your brightness and expand the effect on the room. This elongated pendant lamp made of aluminium has a 58 cm long, 3.4 cm wide and 3.4 cm high ceiling suspension. The lamp connection is located directly on the connection terminal. The LED pendant lamp with upright profile cross-section emits its light brightly and glare-free upwards and downwards. The LED low-voltage technology used in this lamp allows "cable-free" suspension from fine, current-conducting steel cables.

The Gera Leuchten pendant lamp 10x40 V2x1800 RC is adjustable in total height from 20 cm to 250 cm. This pendant lamp is supplied with a radio remote control. The lamp can be switched on and off via the existing light switch as well as via the remote control. The brightness of the lamp can also be regulated via the remote control. Even at full light output, the colour temperature can be adjusted from 2,700 Kelvin extra warm white to 4,000 Kelvin via the remote control supplied. The last settings selected are saved. If necessary, the integrated LED can be changed by the user. The Gera Leuchten pendant lamp 10x40 V2x1800 RC is also available in other lengths, as well as a version with sensor dimmer (touch-free switching and dimming).
