Omschrijving

The Serien Lighting Annex Ceiling Spare Glass is offered in two versions: the old version with rubber ring (lock) and the new version with bayonet lock. The old version is only suitable for the halogen lamp of the Annex Ceiling series. The new version is suitable for both the halogen and LED lamp. The clear replacement glass is available in three sizes: S, M and L. The new version with bayonet lock is suitable for the Serien Lighting M replacement glass from 2014 and for the S and L replacement glasses from 2016.
