Omschrijving

The B.Lux C_Ball S2 is a pendant lamp with two spheres made of opal glass. The light is emitted through the opal glass homogeneously and softly into the room. The metal parts are offered in the surfaces brass satin and black matt. The spheres made of opal glass each have a diameter of 15 cm. The lamp is 67 cm high and 18,5 cm wide including the metal parts. The cable of the lamp has a maximum length of 200 cm and can be shortened if necessary. The C_Ball S2 has two E14 sockets that can be operated with replaceable LED retrofits or compact fluorescent lamps. A version that can be dimmed with a Casambi module by smartphone via Bluetooth is also available on request.
