### Omschrijving

The Licht im Raum Glass Moons 5 Chandelier Fall consists of five lamps on a round canopy. The glasses of the five lamps are made with classic craftsmanship and are mouth-blown. The Glass Moons 5 Chandelier Fall has one lamp each with a steel grey, a forest green, a cherry red, a cobalt blue and a brilliant yellow glass.

The five lamps of the chandelier can be individually suspended in total height during installation. The Glass Moons 5 Chandelier Fall is available with a round canopy in stainless steel or white. The five E27 sockets of the pendant light can be operated with replaceable LEDs (retrofit).
