Omschrijving

The Maggy 4 LED wall lamp from the German manufacturer Mawa produces directable and dimmable light thanks to the 355° rotatable lamp head. The Mawa Maggy 4 is permanently mounted on a wall outlet. This luminaire has an elongated oval wall bracket that can be mounted vertically or horizontally. The Maggy 4 made of white powder-coated aluminium has a touch dimmer, which is available in anodised silver or brushed brass. This LED wall lamp can be dimmed continuously and switched on and off. Thanks to the integrated memory function, the last settings are saved and are immediately available again the next time the light is switched on. The integrated LED with a colour temperature of 2,700 Kelvin extra warm white has a colour rendering index of Ra > 90.
