

Holtkoetter

Type T

Oberfläche

- aluminium
- messing
- platina
- zwart

Armfarbe

- zwart
- sand
- blauw
- rood
- grijs

Technical details

Land van fabricage	 Duitsland
fabrikant	Holtkoetter
ontwerper	Holtkötter
jaar	2023
materiaal	Metall
dimmen	gebarencontrole
Wattage	15 W
LED #	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	1800
Kleurtemperatuur in Kelvin	2.200 - 2.850
bescherming	IP20
Omvang van de levering	LED
bulb vervangen:	ter plaatse zelf
Dimensions	H 75 cm

Omschrijving

The Holtkötter Type T table lamp is the illuminating highlight for every taste thanks to the numerous possible combinations of surfaces and textile-coated tubes. The lamp can be switched and dimmed continuously using the gesture control. To do this, a hand is held in the sensor area of the gesture control below the reflector. When dimming, the light colour of the integrated LED changes to a warmer tone (from 2,850 Kelvin to 2,200 Kelvin) thanks to the dim-to-warm technology. The last set light intensity is saved using the memory function and automatically reset the next time the light is switched on. This 75 cm high table lamp has a 22 cm long base and is available in anodised brass, black, platinum and matt aluminium. The lamp head, lamp rod and lamp base each have the same finish. The flexibly adjustable lamp arm is available in the colours: sand, red, blue, grey and black.
