Opis

The Vibia Break 4101 is an exterior floor lamp. The body is divided into a square and an almost perfect cube. The square is the main body, placed thereon and slightly oblique is the cube. The light emits below the top rectangle downwardly and submerged the whole light in a pleasant light.

The lamp has an overall height of 81 cm and a total of 25 cm wide and 24 cm deep. To be able to adapt to any garden or outdoor area, the Break 4101 is available in three different surfaces - either in khaki, brown or in concrete optics.

With protection class IP66, the light is perfectly protected against water and dust. As lamp one efficient 6.2 watt LED is included.
