Opis

The Vibia Puck 5435 is a halogen ceiling lamp in pure design. It impresses with its unique shape, which consists of three circles. Viewed from below, the Puck 5435 reminds to three contiguous elements. However, it is much flatter, so that the light hardly bulges in the room.

Its simple, yet sophisticated appearance makes the Vibia Puck 5435 to a special eye-catcher. It has intentionally kept in white. Thus, the design is emphasized discreetly. You need only one power supply for this installation.
