

Vibia Cosmos 2510

Technical details

Kraj produkcji	Hiszpania
producent	Vibia
projektant	Lievore Altherr Molina
ochrona	IP20
zakres dostawy	LED
tworzywo	ABS, poliwęglan, stal
regulacja wysokości	wysokość ustalona
ściemnianie	DALI ściemniania
LED	Łącznie
Wskaźnik oddawania barw	>80
Strumień świetlny w lm	1.455
Temperatura barwowa w stopniach Kelvin	2.700 extra biała ciepła
baldachim Wymiary	Długość 42 cm, szerokość 28 cm
wydajność systemu	3 x 4,5 Watt
wysokość całkowita	200 cm
Dimensions	B 24 cm L 55 cm

Opis

The Vibia Cosmos 2510 is a three-lighted pendant lamp, which should remind of a constellation of different moons. The designer team Lievore, Altherr and Molina created this light. Three round, disk-shaped lamp shades made of polycarbonate in various sizes and colours form the lamp.

The two larger lamp shades measure 27 cm in diameter and are green matt or light grey matt. The smallest lamp shade is finally 19 cm in size and dark brown matt. The three lamp shades can be suspended up to a maximum of 200 cm. Three modern 4.5 watt LEDs are included. The lamp can be dimmed on site (DALI, 1-10 Volt or Push). On request, a version is available that is dimmable with Casambi module. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
