Opis

The Tuareg floor lamp is made of extruded, painted aluminum liquid, which was made into a three-dimensional composition. This is reminiscent of architecture from nature and exudes a charm that is reminiscent of materials such as reeds or branches. LED light sources that can be turned on independently of each other, are integrated at three different ends of the tubular elements. In addition, each light source can be rotated by 350 ° each. In this way you vary the lighting effect as required.

The surfaces orange and black chrome are offered, black chrome which is reminiscent of precious metal and orange of industrial anti-rust coatings. Whether in public or private space, the Tuareg floor lamp by Foscarini is particularly suitable for prestigious applications.

A touch dimmer, with which the light intensity of the LEDs can be regulated, is integrated. In addition, there are integrated separate switches for independent switching of the light sources. The height is 209 cm, width 78 cm and length 112 cm. Through the impressive height and by orientable LED light sources, the light illuminates the whole room effortlessly.
