

Serien Lighting

Curling Ceiling LED opal Medium 3000 Kelvin

Technical details

Kraj produkcji	 Niemcy
Producent	Serien Lighting
Projektant	Jean-Marc da Costa und Manfred Wolf
rok	2015
Stopień ochrony / Stopień ochrony IP	IP20
Zawartość opakowania	LED
Średnica w cm	25
tworzywo	aluminium, szkło
ściemnianie	ściemniające z przycinaniem fazy i ściemniaczem z regulacją fazy
Moc w watach	20 W
LED	łącznie
Wskaźnik oddawania barw	>97
Strumień świetlny w lm	2.010
Temperatura barwowa w stopniach Kelvina	3.000 biała ciepła
Wersja	Medium
wymiana żarówek:	na miejscu
Dimensions	H 11 cm Ø 25 cm

Opis

The Serien Lighting Curling Ceiling LED is a ceiling light with opal lampshade. It was designed by the two founders of the German manufacturer Serien Lighting, Jean-Marc da Costa and Manfred Wolf. The light is emitted from the lamp directly downwards as well as scattered all around into the room.

Various sizes and colour temperatures are available for the ceiling light. The small version with 11 watt LED can be dimmed by a phase section dimmer. The medium version has a 13 watt LED, which can also be dimmed with a phase dimmer. On request, there are also offered two additional medium versions. One version is DALI and the other is dimmable with 1-10V. Both optional versions require a 5-core power supply. The available colour temperatures are 2,700 Kelvin extra warm white and 3,000 Kelvin warm white.
