

IP44.DE

Lumen Down

Technical details

Kraj produkcji	 Niemcy
producent	IP44.DE
projektant	Kressel & Schelle
ochrona	IP55
zakres dostawy	LED
Głębokość w cm	11
tworzywo	stal nierdzewna
powierzchnia	ze stali nierdzewnej
ściemnianie	ściemnialna kontroli faz przyciemniania
Moc w watach	10 W
LED	Łącznie
Strumień świetlny w lm	190
Temperatura barwowa w stopniach Kelvina	3.000 biała ciepła
technologia	IvyLight
dystrybucja światła	bezpośrednio
Dimensions	H 5 cm L 22 cm

Opis

The IP44.de Lumen Down is a wall lamp of cuboid form. In contrast to the Lumen, it emits the light only in one direction, and this can be down- or uplight. It was created by the design team Kressel & Schelle.

The diffuser is made of opal toughened glass. Fitted is the light with the specially developed by IP44.de IvyLight LED technology. So more light efficiency is produced with less power consumption. In addition, the IvyLight LEDs were optimized so that they are more durable than other LEDs.

With a protection class of IP55, the Lumen Down is protected against splashing water and dust.
