### Opis

The Ingo Maurer Johnny B Good is a pendant lamp. The unique designer lamp is a combination of sophistication and refined technology. Mounted as a discreet single lamp or as a small group or series, the Johnny B. Good always draws the attention to itself. The trademark of the Ingo Maurer Johnny B Good pendant light is the white glare ring around the bulb, which creates a beautiful and pleasant refraction of light. The excluded lamp is an E27 LED retrofit bulb with 8 watts. It is a special illuminant that is produced exclusively for Ingo Maurer GmbH. The Johnny B. Good pendant light is continuously adjustable in height via the cable loop. It has a 420 cm long cable and is suitable for room heights up to 550 cm. The pendant lamp is on site dimmable.

An 8-watt E27 LED retrofit bulb is not included. (Please order as a spare part at the bottom of the article.)
