Opis

The Foscarini Spokes 2 Large is a larger version of Spokes 2. The diameter is 70 cm and the height is 73 cm. This pendant lamp is available in copper, graphite, black, gold or white. The Spokes 2 Large is on site DALI dimmable and has a 490 cm long cable, which can be shortened if required. A longer cable is offered on request. The lamp is equipped with two LEDs, which emit their light both directly downwards and into the room.

The lamp shape made of spokes creates interesting light and shadow effects on the lamp itself. The cable for the supply of the LEDs is led over one of the spokes so that it is not visible from the outside. The Spokes 2 Large is also available as a MyLight lamp that can be dimmed with the Casambi App via Bluetooth using a smartphone or tablet. García Cumini designed the light in 2016. For the shape of the lamp he was inspired by the spokes of a bicycle.
