Opis

The Sorry Giotto 1 is a modern table lamp with efficiently LED technology. Enzo Catellani designed it in in the year 2013 with a base made of waxed iron and an annular light body made of copper which has been carefully painted blue by hand. The lamp uses four modern 1 Watt LEDs with a colour temperature of 2,700 Kelvin extra warm white. These LEDs are interchangeable. A cord dimmer is also included.

The Sorry Giotto collection belongs to the family Eco Logic Light. In this large group modern, energy-saving LED lights are summarized which are regarded as particularly environmentally friendly and energy-saving.
