Pin 1685

Oberfläche

- czarny
- śmietanka
- zielony
- biały

Technical details

Kraj produkcji	 Hiszpania
Producent	Vibia
Projektant	Ichiro Iwasaki
rok	2016
Stopień ochrony / Stopień ochrony IP	IP20
Zawartość opakowania	LED
Projekcja w cm	30
tworzywo	aluminium, cynk, poliwęglan, stal nierdzewna
skalowalność	na uchwycie ściennym
LED	łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	970
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
Średnica klosza	6 cm
wydajność systemu	2 x 4,5 Watt
Uchwyt ścienny Wymiary	10 cm
Dimensions	H 70 cm

Opis

The Vibia Pin 1685 wall lamp emits both direct and indirect light. The left horizontal arm directs its light downwards, the right vertical arm to the wall. The horizontal arm of the lamp can be rotated to side at an angle of 150 degrees. The head of the horizontal arm can be rotated about its own axis by 350 degrees. This head can also be raised by an angle of 45 degrees and lowered by 35 degrees. The head of the vertical arm can be rotated at a 45 degree angle in both directions. This head can also be tilted outwards by 45 degrees. This wall lamp is available in the following surfaces: warm-white, black, green and cream. All surfaces are matt lacquered. There is an on/off switch on the wall mounting.

The Pin 1685 is a light with the horizontal arm on the left side. This version is suitable for an installation on the left side of the bed. Beside this left version there is also available a right version, the Pin 1686, with the horizontal arm on the right side.
