

Vibia

Structural 2640

Oberfläche

- ciemnoszary
- jasnoszary

Technical details

Kraj produkcji	 Hiszpania
producent	Vibia
projektant	Arik Levy
rok	2018
ochrona	IP20
zakres dostawy	LED
tworzywo	aluminium, poliwęglan
ściemnianie	1-10V ściemniania
LED	łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	3.292
Temperatura barwowa w stopniach Kelvina	3.000 biała ciepła
wydajność systemu	1 x 9 + 1 x 15 Watt
Dimensions	H 21 cm B 37 cm L 120 cm

Opis

The Vibia Structural 2640 is a ceiling light consisting of a 120 cm long light rod and two lamps. The two lamps are of different sizes and both emit their light directly downwards. Arik Levy designed the Structural ceiling lights for Vibia. This lamp immerses the room in a powerful light full of magic. This ceiling lamp is available in the surfaces light grey and dark grey. All versions are matt lacquered. The light can be dimmed by the customer with 1-10 volt. On request, DALI dimmable versions or versions are also available, which can be dimmed with an optionally available Casambi module via a smartphone app. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer. The light is also available with a colour temperature of 4,000 Kelvin white.
