| <b>Dimensions</b>                              | H 8 cm   L 150 cm  |

### Opis

The Stilnovo Xilema W2 is a wall light with minimalist aesthetics for indirect light. Geometric perfection and high technology meet in an aesthetically bold lamp. The elegance of a white or polished aluminum body is combined with a PMMA diffuser, behind which there is a topLED circuit. The slim and elegant light rod rests on a thin base and extends in two opposite directions, forming a single rod that makes the wall light suitable for any modular solutions on the ceiling, to create interrupted light lines. Xilema W is available in a wide range of variants. Xilema indirect light wall lamps are the ideal solution for lighting accommodation facilities and private residences.
