

Marset

Nenufar 2 white

Technical details

Kraj produkcji	 Hiszpania
Producent	Marset
Projektant	Joan Gaspar
rok	2013
Stopień ochrony / Stopień ochrony IP	IP20
Zawartość opakowania	LED
tworzywo	poliwęglan, żelazo
Regulacja wysokości	wysokość ustalona
Moc w watach	5,4 W
LED	łącznie
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	18 cm, wysokość 4 cm
Wersja	biały
Średnica klosza	17 cm
wydajność systemu	2 x 9 Watt
Całkowity strumień świetlny w lm	1.400
dystrybucja światła	bezpośrednio
wysokość całkowita	347 cm
Dimensions	H 47 cm B 22 cm L 25 cm

Opis

The outcome of the designer's arduous quest to create a fixture that seems to float on air, the Marset Nenufar 2 takes its name and its delicate shape from the water lily. This lamp consists of a chromium-plated rod with two black or white polycarbonate shades. Each disc-shaped shade is distinct, separated from the other in a way that the downward beams do not intersect or interfere, but combine for a uniform, direct beam. The result is an item that is midway between decorative and architectural, and be applied to both purposes with ease. Sober and well finished, the Nenufar utilizes top-quality materials and the power of LED to radiate an exquisite luminosity and create warm, welcoming atmospheres.

This lamp is in its element installed in a series - creating areas lit at different heights and with various combinations of discs - or on its own as a surprising, well balanced and subdued centerpiece. The lamp is on offer with one, two, or three black discs supported by a polished chrome rod. This lamp is also available in pre-set configurations of 3, 5, 7, and 9 units, to ease installation. On request, there are offered surface-mounted and recessed canopies with which the single lamps can be combined with each other.
