### Opis

The Decor Walther Box 1-15 mirror lamp emits its light both upward and downward. A diffuser made of white matt glass ensures that the light is glare-free and diffuses evenly. The lamp can be used for mirrors with a maximum thickness of 6 cm. It has a metal body which is available in chrome finishes. Thanks to the IP44 protection class, the clip-on lamp is protected against splashing water on all sides and against solid foreign bodies with a diameter of 1 mm or more. This makes it suitable for use in bathrooms. In addition to Box 1-15, which can be operated with R7s halogen lamps, LED lights from this series are also available.
