Knapstein

SVEA-60

Technical details

Kraj produkcji	🇩🇪 Niemcy
producent	Knapstein
projektant	Knapstein
ochrona	IP20
zakres dostawy	LED
Średnica w cm	60
tworzywo	metal
regulacja wysokości	wysokość ustalona
ściemnianie	kontrola gestow
Moc w watach	50 W
LED	Łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	5.559
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	24 cm
wymiana żarówek:	u producenta / w fabryce
wysokość całkowita	30 - 235 cm
Dimensions	H 3,4 cm | Ø 60 cm

Opis

The Knapstein SVEA-60 is a ring-shaped pendant lamp with a diameter of 60 cm. The light is emitted by this lamp both upwards and downwards. Its uplight and downlight can be switched separately and dimmed continuously by gesture control. The sensor area for gesture control is located centrally at the top and bottom of the lamp. The light is switched on or off by a wiping movement of the hand in the sensor area. To dim the lamp continuously, hold your hand in the sensor area for a longer period of time.

The SVEA-60 pendant lamp has a matt nickel finish. The pendant lamp by Knapstein is height-determinable between 30 cm and 235 cm with the stop sleeves on the underside of the ceiling canopy. By pushing in the stop sleeves on the ceiling canopy, the cables of the lamp can be pushed or pulled into the desired position. From the series, the SVEA-L60 is also offered with a stepless height adjustment by pulling or lifting the lamp. The lamp is also available with a diameter of 40 cm or 80 cm. On request, the SVEA is also offered in other lengths or surfaces.
