Mikado L

Oberfläche

- aluminium
- czarny

Schirmfarbe

- kość słoniowa
- brązowy

Technical details

Kraj produkcji	 Niemcy
producent	Byok
projektant	Kai Byok
rok	2020
ochrona	IP20
zakres dostawy	LED
tworzywo	aluminium, tekstylny
ściemnianie	kontrola gestow
Moc w watach	51 W
LED	łącznie
Temperatura barwowa w stopniach Kelvina	Dim to warm
Średnica klosza	70 cm
wysokość abażur	28 cm
Całkowity strumień świetlny w lm	5.920
Dimensions	H 175 cm

Opis

The Byok Mikado L floor lamp is 175 cm high. Its lamp shade has a diameter of 70 cm at the bottom and 62 cm at the top. The shade height is 28 cm. A central light source and a downward directed spotlight are integrated in the lamp shade. The light is emitted mainly downwards and upwards. The two LED light sources can be dimmed separately by gesture control. Thanks to the Dim-to-warm technology, dimming changes the light colour of the integrated LEDs to a warmer tone (from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white). The Mikado L is available with natural glossy anodised aluminum and matt black anodised surfaces. Its lamp shade is offered in the colours ivory and dark brown. Other shade colours are also available on request. In addition to this floor lamp, the Mikado XL is also available with a height of 200 cm.
