Opis

The Lupia Licht Circle LED ceiling light has a diameter of 40 cm and is 9.5 cm high. This ceiling light has an output of 25 watts and is available in gold leaf and silver leaf finishes. On the rings, there are LEDs that radiate indirectly against the reflector of the lamp. In the lamp with a gold leaf surface, this creates a particularly warm light. The Circle by Lupia Licht can be dimmed on site with a trailing edge phase dimmer. This ceiling light comes from the manufacturer Lupia Licht in Germany.
