

Bomma

Orbital Table

Glasfarbe

- jasne
- różowy
- czarny
- biały

Version

- złoto
- srebrny

Technical details

Kraj produkcji	 Czechy
producent	Bomma
projektant	Studio deFORM
ochrona	IP20
zakres dostawy	LED 230 Volt
tworzywo	szkło kryształowe , stal nierdzewna, tekstylny
kolor przewodu	czarny
długość kabla	180 cm
ściemnianie	na miejscu z funkcją ściemniania
pedestał/wersja	E27
Możliwość zmiany trybu	na smyczy
Moc (maks. W)	13 Watt
LED	łącznie
Średnica klosza	36 cm
wymiana żarówek:	na miejscu
Dimensions	H 43,5 cm B 25 cm

Opis

The Bomma Orbital Table consists of two outer glasses and a ring-shaped middle part as well as a lamp base made of stainless steel. The two glasses are made individually from mouth-blown crystal glass. Small bubbles and irregularities in the glass are a characteristic feature of traditional glassblowing. During the manufacturing process, clear crystal glass is mixed with coloured glass, which makes the glass colour particularly durable. As each glass is made individually, it is unique, so that the colour shade and intensity can vary.

With the Orbital Table, one glass is always clear, the other glass is offered in the colours polaris white, venus pink and clear. The base of the lamp is available in silver or patinated gold. The middle part of the lamp has the same surface as the base. The Orbital table lamp has an E27 socket that can be operated with a replaceable Globe LED Retrofit.
