Technical details

Kraj produkcji	 Niemcy
producent	Holtkötter
projektant	Holtkötter
rok	2023
tworzywo	Metall
regulacja wysokości	z regulacją wysokości
ściemnianie	Sekcja fazy
LED #	włącznie
Wskaźnik oddawania barw	>90
Temperatura barwowa w stopniach Kelvina	2.200 - 2.850
ochrona	IP20
zakres dostawy	LED
wymiana żarówek:	na miejscu

Opis

The Holtkötter Favor pendant lamp is an LED lamp with a cylindrical lamp head made of aluminium. The lamp head is closed at the top and bottom with diffusers and emits glare-free light upwards and downwards. The height of each lamp head can be adjusted separately by simply moving it up or down. The height adjustment is invisibly integrated into the suspension. The height of the lamp with one lamp head can be adjusted between 55 cm and 155 cm, while the height of the lamp with 2 and 3 lamp heads can be adjusted between 35 cm and 155 cm. This dimmable lamp is optionally available with 1, 2 or 3 lamp heads in black, platinum and matt aluminium. When the lamp is dimmed, the light colour of the integrated LED changes to a warmer tone (from 2,850 Kelvin to 2,200 Kelvin) thanks to dim-to-warm technology. The lamp with just one light head has a round ceiling canopy with a diameter of 12 cm and a height of 5.5 cm. The light with two and three lamp heads has a rectangular ceiling canopy that is 9 cm wide and 3.6 cm high.
